

CareerStorm Navigator™

A ready-to-use web-based career/life development tool including

- One language version (English, Finnish, Swedish, French, German) of CS Navigator.
- End-users' Homepage: A customizable welcome page for orientation of your clients.
- Seven career tools: Position, Destination, Interests, Skills, Values, Style, and Compare.
 - *Current Position*: Reviewing one's work/life history and factors influencing career decisions.
 - *Desired Destination*: Enables reflection of future objectives in eight areas of life.
 - *Interests*: Generates a comprehensive list of individual's interests.
 - *Skills*: Identifies four types of transferable skills: social, practical, information and creative.
 - *Style*: Invitation to describe one's personality with a few important key adjectives.
 - *Values*: Listing most important values and evaluating how they are realized in life.
 - *Compare*: Practical tool for decision making from a range of options.
- Administrator's view, where the list of End-users (your clients) is visible and where their results can be reviewed.
- Private user accounts that are protected with a username and a password for your clients.
- Eight (8) module self-study guide for administrators. It includes extensive information on how to use the CS Navigator with End-users.
- Extensive Help wizard advising you with technical questions.
- Extensive Help wizard for your clients on the use of the career tools.
